Aetna Medicare is a PDP, HMO, PPO plan with a Medicare contract. Our SNPs also have contracts with State Medicaid programs. Enrollment in our plans depends on contract renewal. See Evidence of Coverage for a complete description of plan benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by service area. This information is not a complete description of benefits. Contact the plan for more information. Limitations, copayments, and restrictions may apply. Benefits, formulary, pharmacy network, provider network, premium and/or co-payments/co-insurance may change on January 1 of each year. Members who get “Extra Help” are not required to fill prescriptions at preferred network pharmacies in order to get Low Income Subsidy (LIS) copays. You must continue to pay your Medicare Part B premium. The Part B premium is covered for full-dual members. Our dual-eligible Special Needs Plan is available to anyone who has both Medical Assistance from the state and Medicare. Premiums, co-pays, co-insurance, and deductibles may vary based on the level of Extra Help you receive. Please contact the plan for further details. Other pharmacies, physicians and/or providers are available in our network. The formulary, pharmacy network, and/or provider network may change at any time. You will receive notice when necessary. A sales person will be present with information and applications. For accommodation of persons with special needs at sales meetings, call 1-855-255-0056 (TTY: 711). Out-of-network/non-contracted providers are under no obligation to treat Aetna members, except in emergency situations. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services. Participating physicians, hospitals and other health care providers are independent contractors and are neither agents nor employees of Aetna.
